Disclaimer:

The product information on this website is intended for your general information. It is not a substitute for medical advice from a health care professional and is not intended to diagnose, treat, cure or prevent any disease. Always consult your doctor or other qualified healthcare professional with any questions you may have regarding a medical condition. Do not disregard medical advice or postpone consultation with your health care professional because of information that you have read on this website.

The Essential Oils used in our products have been used safely for many years by manufacturers in a number of various products including personal care, skin care, diffusers, insect repellents, cosmetics, pharmaceuticals, home cleaning etc...

As with any product please do your own research if you are unsure of the product or it's ingredients. Cocavo provides information on our website that you will find useful in this regard.

If you are using an essential oil for the first time and you are prone to allergies, consult your doctor or medical professional first.

It is always wise to perform a small patch test on your skin prior to using any essential oils.

Always follow the instructions on our product labels. Further information can be found on our website.
